

TEACHER TESTING INFORMATION

The BEE Program requires all outside teachers to complete a TB test and a background check at least SIX WEEKS before the first day of your BEE class. The expense of these tests is fully reimbursed by the BEE Program, so please obtain and submit your receipts.

1. **TB TEST** *This test must be completed before your background check.* Go to:

Prompt Care
1149 Seminole Trail
978-3998

HOURS: Monday-Friday 8AM-8PM; Saturday 8AM-6PM; and Sunday, noon-6PM

No appointment is necessary for this test. You should not have to wait long because you do not need to see a doctor. A nurse can administer the test. She will mark your arm with the test and then you need to return within 48-72 hours to have the test "read". The cost is \$19.00.

2. **BACKGROUND CHECK** *Remember to have your TB test done first.* All background tests are coordinated by Albemarle County. Monday - Friday from 8:00 AM-4:30 PM. No appointment is necessary for the background check.

Albemarle County Office Building
First floor, Room 125 (second door on the left)
401 McIntire Road
296-5827

You will need to fill out paperwork and be fingerprinted electronically. You must present two valid forms of ID such as driver's license, passport, social security card, or birth certificate. Written paperwork on this test can take up to three weeks so please schedule accordingly. ***Your class cannot begin until we receive the results on this test.*** The cost is \$26.00.
